

Jumper 0603 size

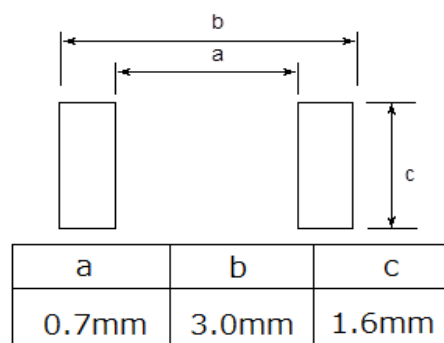

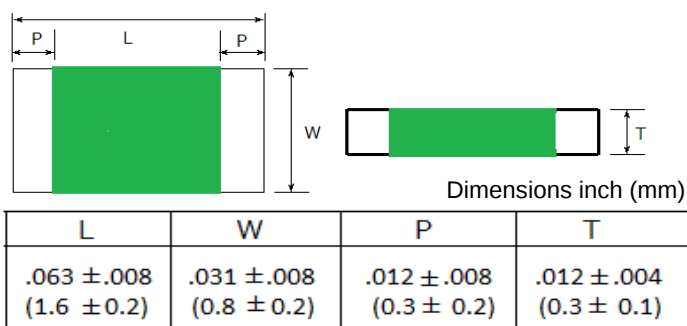

FEATURES

- Higher Current 10A with 0603 size
- Less than 0.2mohm of the resistance values.
- Low ESL
- Low Noise
- Excellent performance for high frequency.
- RoHS Compliance and 100% Lead-Free (Matte Sn termination finished)

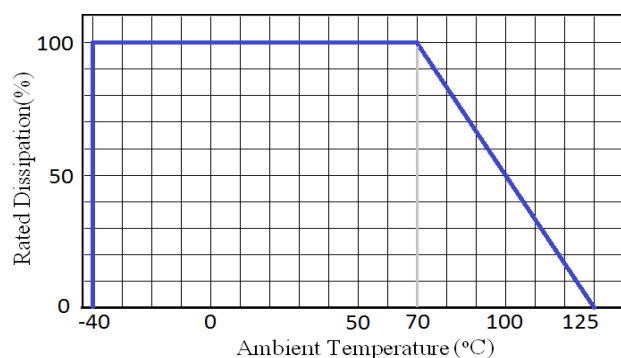

Electrical Specification

Rated Maximum Current	R-values	Maximum Resistance Values	Package
10A (constant Current)	0 ohm	0.2mohm +/- 0.1mohm (Maximum R-values <0.3mohm under the operating temperature range)	5,000pcs/reel
